Subject: TYP application

Dear Mr JOHNSON,

It is with great interest that I am applying to the Transitional Year Program.

I am currently a third year student at the London College, Department of Marketing.

Last summer I have spent 2 months of practice work at Citibank, and for that period I realized the great importance of good knowledge of English Language and would like to improve my skills by attending the TYP program.

I have effective communication skills, I am a people's person and I have a firm commitment to my studies. I really enjoy learning through problem solving, so the fact that the program you offer emphasises teamwork, under the guidance of qualified lecturers, with people of different qualifications and education was a decisive criterion for my application.

I would like to be in the TYP program because I feel that it would be a great opportunity for me to improve my knowledge in many fields and I also have a passion for maths, therefore I believe that the TYP program gives you that opportunity, to become great teachers.

Thank you in advance for receiving my application and considering giving me the opportunity to become part of your program.
