Subject: Graduate opportunities within accessories design department

Dear Mr JOHNSON,

I am writing to introduce myself to you as a student at the London College of Fashion and I would like to inquire about graduate opportunities you may have within the accessories design department.

As you can see from my enclosed CV, I have a strong academic background in design combined with numerous work placements as a designer and as a product developer. My recent placement at Chloé Paris allowed me to further develop and strengthen my designing skills. I have good hands on graphics software like Photoshop and Illustrator. I believe that I could make a significant and valuable contribution at your firm.

I would appreciate the opportunity to discuss how my education, experience and creativity would be an asset to your company.
