Dear Mr JONES,

Christmas at your home

I just wanted to thank you for allowing the family to enjoy Christmas within the comfort of your new and spacious home. It was so nice to have that warm family moment in such a comfortable environment and I know how much work you put into making things just right. You had candy out on the kitchen bar area and subtle decorations with incredibly tasty cookies (I'm jealous that you were able to get those Andes cookies for half price!).

I don't want to take any more of your time, but let me close by saying it was a magical Christmas due, largely, to your hospitality and offering your home to the entire family during the holiday season.

William TAYLOR
