Subject: Recommendation

Dear Mr WILSON,

It is a genuine pleasure and honor for me to recommend Isabel. Isabel worked with me at McDonald's for 2 years. She began here as Front Cashier and was promoted to Drive-Thru Cashier.

During Isabel's service with us I, like many others in the department, came to know and appreciate her. Very goal oriented as well as a team player, Isabel was always punctual, yet easygoing. She was keenly devoted to her work, but being a real people person, she was also enjoyable to be around.

Isabel demonstrated from early in her tenure that she understood what business is all about. She was well organized and thrived under adversity. She kept a sharp eye on the bottom line, but realized too that customer satisfaction is what makes or breaks your business. I suppose doing well in business is easy if you are, as she was, driven in equal measure by both quality and efficiency.

I would like to be very clear about why Isabel is still with us. She helps others with any work that they may have and she is very persistent with her customers and making sure that they are satisfied.

In closing, let me say I have no hesitation in recommending Isabel for any position pertaining to nursing. I feel confident she would be an asset to the medical field.

James CLARK
